

Entry Form For Noting and Registration on THE SCOTTISH TARTANS WORLD REGISTER

There must be adequate proof of weaving of a tartan to be recorded. The best evidence is a woven sample showing the full sett. Please enclose it with this completed form.

Tartans Name.....

Proposer (name/firm putting tartan up for Recording).....

Designer (state copyright owner if different).....

Design date.....

1. Description and history of Family, Clan, Organisation or Business involved directly with this Tartan.

.....
.....

Why was the Tartan produced ?

2. Thread Count of Sample and Colour Legend. (The Register will fill this in if sample enclosed.)

3. The Register offers two levels of recording :-

- a.) 'Registration' where a presentation certificate (A4) is issued displaying the record. This costs £50
- b.) 'Noting'. A level for tartans the register comes across so must be added. This level is used to hold tartans before they are formally Registered.

Tartan is controlled by social convention and in many cases with informal agreements between weavers etc. The Register will record these arrangements in the interest of convention and to help in the smooth running of the tartan trade.

Fill in the last five questions where necessary for this purpose.

- 4. Where was the Tartan found or who wove it ?
- 5. Who has seen it woven ?
- 6. What is the purpose of the tartan ?
- 7. Is there anyone controlling its use ?.....
- 8. Is anyone controlling its production ?.....

Name.....

Signed.....

Address.....

Date.....
